# GCSE ARABIC & ISLAMIYAAT

## Starting Sept 2020

A select group of students from The Lighthouse Madrasah will be offered the chance to advance their Islamic studies by taking a GCSE in Arabic and Islamiyaat that will be taught during normal Madrasah hours. We would hope that this will lead to students taking up the Arabic and Islamic Diplomas once they reach the age of 18 to sustain a sense of lifelong learning.

This course will be offered to students who have completed their Qur'an, Tajwid, Fluency and memorisation requirements.

The cost of both GCSE's will be £250 per term

For further information please feel free to contact the Madrasah office to discuss the suitability of the course.
